Who We Are

Lutheran Ministries in Higher Education is a Pan-Lutheran ministry of the Evangelical Lutheran Church in America and the Lutheran Church-Missouri Synod. We currently have active ministries at Columbia University and Queens College. We would love to expand our ministry to include more campuses in the NYC area and to include more congregations in ministering to college students. Please consider joining us in this vital ministry!

What We Do

Lutheran Ministries in Higher Education strives to offer many things to college students in NYC.

- A place for worship.
- A safe and open space to explore their faith.
- A stimulating environment to learn more about the Bible.
- Opportunities for service in the community and in the world.
- Formation as leaders in the church.
- Vocational discernment.
- Fun and Fellowship.
- The message of God's unconditional love!!!!!!!

What YOU Can Do

- Keep in touch with the college students from your congregation.
- Let college chaplains know when your students are headed their way.
- Practice outreach to college students that may be living near your congregation.
- Financially support LMHE.
- Pray for college students and ministries on campuses everywhere.
